At the Anne Carlsen Center, we believe every individual deserves to experience the richness of life, lived to its fullest potential. We thank our Community Partners for their wholehearted support of this mission.

Eight Jamestown-area businesses have partnered with us to empower individuals affected by developmental disabilities. Thank you, Community Partners, for helping further the tradition of our namesake, Dr. Anne Carlsen, while raising awareness and support for our vital programs and services.

SAVE THE DATE

Anne Carlsen Center (ACC) invites you to a summer celebration of its solarium and gardening program.

Otter Tail Power Company, an ACC Community Partner, will sponsor the event on Tues., August 25, on the ACC Jamestown Campus. Otter Tail, a generous financial supporter of the solarium project, is celebrating its 100th Anniversary and its tradition of "Paying it Forward."

The day's activities will include tours of the Center, refreshments, gardening demonstrations by students, walks on the Nature Trail, and a butterfly release. Watch for more information at www.annecenter.org.
