In Memory Of...

The Anne Carlsen Center is blessed each year with gifts received in memory of loved ones. Memorials help the Center fund projects and programs that enrich the lives of individuals with disabilities.

By giving to the Center in memory of a loved one, you connect that special person with a very special place—a place that has helped create fulfillment and joy in the lives of deserving children, young adults and families.

Memorials gifted between June 1, 2009 – September 30, 2009
