Every gift, large and small, helps ensure our success at Anne Carlsen Center for Children. As we continue to foster love, knowledge and skills for the future, know that you are touching lives with your thoughtfulness.

"On behalf of the children, families, staff and Board of Trustees, I extend my heartfelt thanks to all our gracious donors. Your contributions and caring spirit are instrumental in helping us achieve our goal of having each child we serve reach his/her fullest potential."

Record Year for Tree of Life

The Anne Carlsen Tree of Life continues to blossom and grow. This symbolic thank you to our donors is also a tangible work of art that serves as a magnificent focal point at Anne Carlsen Center for Children. As more and more names are added, the Tree of Life becomes more impressive for the eye to behold.

The giving tree recognizes those who have given at least \$5,000 in their lifetime to Anne Carlsen Center for Children. In 2007, 45 individuals and businesses were added to the Tree of Life, making it a record year for number of names carved into this tribute. Nearly \$766,000 was added to the tree in '07.

These donations help us continue our quality programs and services. As this lovely tribute continues to thrive, these donors are helping our students do the same.

Those who joined the tree in 2007 are:

Estate Gifts Received in 2007

Anne Carlsen Center for Children (ACCC) wants to recognize those who remember us in their estate planning.

By including us in this way, these donors are also leaving a legacy. Future generations will know of their commitment to helping improve the lives of children and young adults with disabilities.

We recognize these 59 parties who have designated gifts to ACCC in the distribution of their estates.
