

Given in Memory of ...

Each and every donation we receive at the Anne Carlsen Center helps us continue our mission of supporting individuals and their families, as they pursue growth and fulfillment.

In this edition and all future editions of *The Ambassador*, we will share those instances in

which gifts have been given in memory of someone special.

As these donors remember and celebrate the lives of those they have loved, they pour their love into the lives of all the students at ACC.

Memorials gifted between Jan. 1, 2008 – March 31, '08
