The impact each of us can have on this world is far from finite. When our earthly lives end, our values, passions and hopes can continue to reach out and touch lives. The Anne Carlsen Center is blessed each year with gifts received in memory of people who have passed away.

Memorial gifts help the Center fund projects that enrich the lives of our students. Over the years, donations have helped pay for additions such as our therapeutic

swimming pool, accessible playground equipment and vans, and the sensory motor area.

By giving to the Center in honor of a loved one, you connect that special person with a very special place—a place that has helped create fulfillment, joy and progress in the lives of individuals with disabilities.

Memorials gifted between July 1, 2008 and September 30, 2008:
