Betsy Broderson is due on March 8th. With all these babies due so close to each other I had to ask what they thought about that. They all said, "It's great to share the experience with others and to talk about it. It helps because they can relate to what each other may be feeling."

One thing is certain, every Mommy to Be said the best thing about being pregnant is feeling the baby move and the joy of knowing that you are going to be a Mom! Seeing everyone's belly growing is fun too, though Maria has the largest soccer ball so far!

What does a turkey like to eat on Thanksgiving?

Nothing, they are already stuffed!

finishes mine off with tweezers. Though it does hurt, it is worth it to have nice eyebrows. Like they say, "Beauty is Pain."

For a trendy fall hairstyle, try an up do, braids or a short spiky cut. You can wear your hair a variety of different ways. It all depends on you and what look you are going for. Is your hair long? Try using some cute ponytail holders. Short and spiky? Pinning hair back with a cute barrette or headband is a very cute look! I love when mine is short and spiky. Which reminds me, I must make an appointment with my hairstylist!

I really like old westerns. I would like to share some of my favorites. Old western movies are usually

The Texans may be going through a rough patch now that they have lost their strong side linebacker, Zac Diles due to a broken leg. Recycling Rules by: Jimmy Brown

In this issue I have listed items that will help you determine what can be recycled.

#2 plastic examples are:

If April showers bring
May flowers, what do
May flowers bring?

Pilgrims

How do you keep a
turkey in suspense?

I'll let you know next week!

What kind of music did
the Pilgrims like?

Plymouth Rock!

Pumpkin Pie!'**

set in the western
U.S, primarily in
the 1800's. Some
may have different
themes, but in
most of old
westerns, you can
always find a
cowboy that saves
the day.

I suggest if you
want to watch an
old western movie
you should start
with a John Wayne
film. Big Jake and
True Grit are the
best.
