A Letter from Your Editor

By: Nicole B.

I want to talk about the evacuation. To be honest, I was upset and a little scared at first. I missed my staff and friends. But I realized that it isn't permanent. I still see my friends and we have been doing lots of fun things to get our minds off of it. It is sort of like a mini-vacation. I asked several staff and students what their feelings were. Jimmy B. said "I like St. Johns. It is fun!" Alex R. said "I don't mind it. I like working with different staff and making new friends. It is a good way to meet people you didn't know before. The apartments are nice and we do fun things." Summer Cottage staff member Dianne says, "I think we're doing well. It's like a big campout."

So my advice for the month is:

To make the best of where you are, what you have and keep up your spirits. Take it day by day and know that we will all be back when the time is right!

Basketball!

by Jimmy B.

The NCAA championship games were held in March and April. The Final Four were: North Carolina, Connecticut, Villanova and Michigan State. North Carolina beat Michigan to take home the title of National Champions. I love basketball. It is a fun sport to play.
