We know that the flu bug has gotten everybody down. For most of us it has hit home in one way or another. Staff and their families have been affected too.

Here are some tips to stay healthy throughout this flu season:

- Don't touch your nose or mouth. Cough into your elbow not your hand.
- Wash your hands frequently. Use hot water and rub vigorously for at least 30 seconds
- Keep hand sanitizers in your car or purse.
- Eat healthy and take your vitamins! Also drink plenty of water.

STAY HEALTHY!!

Plaid is in!

Plaid skirts, shirts, vests and jackets are lining store shelves this season! Pick up a plaid skirt and pair it up with a pair of leggings or tights and top it off with a cute sweater and you're set for the day.

Scarves are popular this fall too! Solid or thick striped scarves are all the craze. You can even wear the scarf throughout your day with any outfit. Scarves seem to pull the whole outfit together.

Striped tights caught one student's eye!! She recommends making sure they are thick and warm for the fall and winter season though.

We've also been noticing lots of 'bling' this year. Large stones or costume jewelry are back. Whatever your taste, we are sure you will all look fabulous this fall!

The World Series

The Yankees beat the Phillies 7-3 in Game 6 of the World Series.

After waiting nine years for championship no. 27 the Yankees bolted from the dugout even before the last grounder was scooped up.

"It feels better than I remember it" Captain Derek Jeter said, "It's been a long time."

So the Story Goes:

This month's story is:

The First Thanksgiving
By: Garnet Jackson

On Sept. 6, 1620 a small wooden ship, called the Mayflower sailed on it way to America. It left England with 102 pilgrims. The pilgrims had left England because King James did not let them practice their own religion. There were in search of a new home. Sometimes the sea was calm and gentle. The weather was warm and birds flew overhead. Children laughed and played. Other times the sea was rough and stormy and the sky grew gray. Large raindrops fell from the heavy clouds plopping into the sea and Mayflower. Waves rocked the ship and the children were afraid. With more gray skies than blue, the Mayflower sailed the ocean for two more months! Finally after a long journey the weary pilgrims sighted lands. "We have found the New World" they said.

Time for Fun and Games

I found some fun activities that you can play during this fall season!! Check them out!

Candy Corn Bingo

Play like regular bingo but with a fun twist. Your bingo cards are in the shape of pumpkins and you use candy corn for markers. Also, use fall pictures instead of numbers. This makes for a more fun visual activity.

Pumpkin Face

Give each child a small pumpkin. You will need paint and paintbrushes, and maybe a straw hat!

Paint a face on the pumpkin using paints. Glue your hat to the top of the pumpkin when you're done.

Lets' Talk Turkey!!

Benjamin Franklin wanted the turkey to be our national bird, instead of the eagle.

Only male turkeys gobble. Female turkeys make clicking noises.

Turkeys can drown if they look up while it's raining.

Turkeys spend the night in trees!! Maybe to hide from the Thanksgiving table!

The heaviest turkey ever weighed a whopping 86 pounds! It was the size of a German Sheppard!
